Stage 1 – Frozen

The Sound of Silence – Simon & Garfunkel

Hello, darkness, my old friend
I've come to talk with you again
Because a vision softly creeping
Left its seeds while I was sleeping
And the vision that was planted in my brain
Still remains
Within the sound of silence

In restless dreams I walked alone
Narrow streets of cobblestone
'Neath the halo of a streetlamp
I turned my collar to the cold and damp
When my eyes were stabbed by the flash of a neon light
That split the night
And touched the sound of silence

And in the naked light I saw
Ten thousand people, maybe more
People talking without speaking
People hearing without listening
People writing songs that voices never share
No one dared
Disturb the sound of silence

"Fools," said I, "You do not know
Silence like a cancer grows
Hear my words that I might teach you
Take my arms that I might reach you."
But my words like silent raindrops fell
And echoed in the wells of silence

And the people bowed and prayed
To the neon god they made
And the sign flashed out its warning
In the words that it was forming
And the sign said, "The words of the prophets
Are written on the subway walls
And tenement halls
And whispered in the sounds of silence."

Stage 2 – Traumatized
Paralyzed– NF

When did I become so numb?
When did I lose myself?
All the words that leave my tongue
Feel like they came from someone else

I'm paralyzed
Where are my feelings?
I no longer feel things
I know I should
I'm paralyzed
Where is the real me?
I'm lost and it kills me - inside
I'm paralyzed

When did I become so cold?
When did I become ashamed? (ooh)
Where's the person that I know?
They must have left
They must have left
With all my faith

I'm paralyzed
Where are my feelings?
I no longer feel things
I know I should
I'm paralyzed
Where is the real me?
I'm lost and it kills me - inside
I'm paralyzed

I'm paralyzed
I'm scared to live but I'm scared to die
And if life is pain then I buried mine a long time ago
But it's still alive
And it's taking over me - where am I?
I wanna feel something, I'm numb inside
But I feel nothing, I wonder why
I'm on the race of life and time passes by
Look
I sit back and I watch it, hands in my pockets
Waves come crashing over me but I just watch 'em
I just watch 'em
I'm under water but I feel like I'm on top of it
I'm at the bottom and I don't know what the problem is

I'm in a box
But I'm the one who locked me in
Suffocating and I'm running out of oxygen

I'm paralyzed
Where are my feelings?
I no longer feel things
I know I should
I'm paralyzed
Where is the real me?
I'm lost and it kills me - inside
I'm paralyzed (Yeah, I'm just so paralyzed)

Where are my feelings? (Yeah, I'm just so paralyzed)
I no longer feel things (I have no feelings)
I know I should (Oh. How come I'm not moving? Why aren't I moving? Ay
yeah)
I'm paralyzed
Where is the real me? (Where is the real me? Where is the real me?)
I'm lost and it kills me - inside (I'm paralyzed, I'm paralyzed)
I'm paralyzed (I'm paralyzed)

Stage 3 – Unimaginable Unspeakable Darkness
**It's Quiet Uptown – Lin-Manuel Miranda, Phillipa Soo, Renée Elise
Goldsberry (Hamilton)**

There are moments that the words don't reach
There is suffering too terrible to name
You hold your child as tight as you can
And push away the unimaginable
The moments when you're in so deep
It feels easier to just swim down

The Hamilton's move uptown
And learn to live with the unimaginable

I spend hours in the garden
I walk alone to the store
And it's quiet uptown
I never liked the quiet before
I take the children to church on Sunday
A sign of the cross at the door
And I pray
That never used to happen before

If you see him in the street, walking by

Himself, talking to himself, have pity

Philip, you would like it uptown
It's quiet uptown

He is working through the unimaginable

His hair has gone grey. He passes every day
They say he walks the length of the city

You knock me out, I fall apart

Can you imagine?

Look at where we are
Look at where we started
I know I don't deserve you, Eliza
But hear me out. That would be enough
If I could spare his life
If I could trade his life for mine
He'd be standing here right now
And you would smile, and that would be enough
I don't pretend to know
The challenges we're facing
I know there's no replacing what we've lost
And you need time
But I'm not afraid
I know who I married
Just let me stay here by your side
That would be enough

If you see him in the street, walking by her
Side, talking by her side, have pity

Eliza, do you like it uptown? It's quiet uptown

He is trying to do the unimaginable
See them walking in the park, long after dark
Taking in the sights of the city

Look around, look around, Eliza

They are trying to do the unimaginable

There are moments that the words don't reach
There is a grace too powerful to name
We push away what we can never understand

We push away the unimaginable
They are standing in the garden
Alexander by Eliza's side
She takes his hand

It's quiet uptown

Forgiveness. Can you imagine?
Forgiveness. Can you imagine?

If you see him in the street, walking by her
Side, talking by her side, have pity
They are going through the unimaginable

Writer(s): Lin-Manuel Miranda

Stage 4 – In Harm's Way **Til it Happens to you – Lady Gaga**

You tell me it gets better, it gets better in time
You say I'll pull myself together, pull it together, you'll be fine
Tell me, what the hell do you know? What do you know?
Tell me how the hell could you know? How could you know?

`til it happens to you, you don't know how it feels, how it feels
`til it happens to you, you won't know, it won't be real
No, it won't be real, won't know how it feels

You tell me hold your head up, hold your head up and be strong
Cause when you fall you gotta get up, you gotta get up and move on
Tell me how the hell could you talk, how could you talk?
Cause until you walk where I walk, this is no joke

`til it happens to you, you don't know how it feels, how it feels
`til it happens to you, you won't know, it won't be real
(How could you know?)
No it won't be real
(How could you know?)
Won't know how I feel

`til your world burns and crashes
`til you're at the end, the end of your rope
`til you're standing in my shoes
I don't wanna hear a thing from you, from you, from you
Cause you don't know

`til it happens to you, you don't know how I feel, how I feel
How I feel
`til it happens to you, you won't know, it won't be real

(How could you know?)
No, it won't be real
(How could you know?)
Won't know how it feels

'til it happens to you
Happens to you
Happens to you
Happens to you
Happens to you
(How could you know?)
'til it happens to you
You won't know how I feel

Stage 5 – Compassion

A Heart that Forgives – Kevin LeVar & One Sound

I want a heart that forgives
A heart full of love
One with compassion just like yours above
One that over comes evil with goodness and love
Like it never happened, never holding a grudge

I want a heart that forgives that lives and let's lives
One that keeps loves over and over again
One that men can't offend
Cause your word is deep within
One that loves without price like you lord Jesus Christ

I want a heart that loves everybody
Even my Enemies

I want to love like, be like you, just like you did
I want a heart that forgives, want a heart that forgives
Want a heart that forgives!
When the ones that are closes and that I've known the longest
They hurt me the most; I still wanna love them just like you loved me
Even though I'm hurting, God should know they hurt me deep

Ohhh, want a heart that forgives
When the pain is so deep and it's so hard for me to speak about it
To any one just like your son
I give up my rights to hold it against them with hatred inside
I want a heart that loves everybody, even my Enemies

I wanna love like you, be like you, just like you did
Wanna walk like you, talk like you, just like you did, Wanna be like you Jesus
Just like you Jesus Christ, I want a heart

Cause the heart that forgives that is the heart that will live
Totally free from the pain of the past and the heart that let's go
That is the heart that will know so much freedom

Do you wanna be free, my answer is Yes
Lord I wanna be free, my answer is Yes
God I'm tired of being bound, father my answer is Yes
I don't want this in my life, father my answer is Yes
God I'm ready to let it go, father my answer is Yes
God I'm tired of saying No, father my answer is Yes

I know you got so much for me, that's been hidden by my pride
You got so much for me, so much you wanna do with my life
Father help me let it go, Lord you know it's been so long
Father help me let it go, As I play to you this song
I don't wanna be hindered by the spirit of offense
I don't wanna be hindered by people that do me wrong

I wanna love them like you love me, wanna love them like you love me
Wanna love them like you love me, I want a heart that forgives
No matter what happens Lord, give me grace, give me grace
Lord no matter what comes, no matter what people do
I still wanna love them, I wanna love them, just like you
