**Mourning Memories Theme Songs (2)**

**The Way We Were – Barbra Streisand**

Mem'ries,  
Light the corners of my mind  
Misty water-colored memories  
Of the way we were

Scattered pictures,  
Of the smiles we left behind  
Smiles we gave to one another  
For the way we were

Can it be that it was all so simple then?  
Or has time re-written every line?  
If we had the chance to do it all again  
Tell me, would we? Could we?

Mem'ries, may be beautiful and yet  
What's too painful to remember  
We simply choose to forget  
So it's the laughter  
We will remember

Whenever we remember...  
The way we were...  
The way we were...

**More Than a Feeling – Boston**

I looked out this morning and the sun was gone  
Turned on some music to start my day  
I lost myself in a familiar song  
I closed my eyes and I slipped away

It's more than a feeling (more than a feeling)  
When I hear that old song they used to play (more than a feeling)  
I begin dreaming (more than a feeling)  
Till I see Marianne walk away  
I see my Marianne walkin' away

So many people have come and gone  
Their faces fade as the years go by  
Yet I still recall as I wander on  
As clear as the sun in the summer sky

It's more than a feeling (more than a feeling)  
When I hear that old song they used to play (more than a feeling)  
I begin dreaming (more than a feeling)  
Till I see Marianne walk away  
I see my Marianne walkin' away

When I'm tired and thinking cold  
I hide in my music, forget the day  
And dream of a girl I used to know  
I closed my eyes and she slipped away  
She slipped away

It's more than a feeling (more than a feeling)  
When I hear that old song they used to play (more than a feeling)  
I begin dreaming (more than a feeling)  
Till I see Marianne walk away

**Stage 1 – Memories (of)**  
**The Dance – Tonight I'm Garth Brooks (Apple Music)**

Looking back on the memory of  
The dance we shared 'neath the stars above  
For a moment all the world was right  
How could I have known that you'd ever say goodbye

And now I'm glad I didn't know  
The way it all would end the way it all would go  
Our lives are better left to chance  
I could have missed the pain  
But I'd have had to miss the dance

Holding you I held everything  
For a moment wasn't I a king  
But if I'd only known how the king would fall  
Hey who's to say you know I might have changed it all

And now I'm glad I didn't know  
The way it all would end the way it all would go  
Our lives are better left to chance

I could have missed the pain  
But I'd have had to miss the dance

Yes my life is better left to chance  
I could have missed the pain  
But I'd have had to miss the dance

Writer(s): Tony Arata

**Stage 2 – Memories (I hear you)**

**I Hear you Now – Michael Scott (Country Music Singer)**

All I ever heard was stand up straight,  
Cut your hair, say your prayers and pull your weight,  
Ain't no shame in getting dirt on your hands,  
From the day I was born you said be a man,  
Life is tough so you gotta be tougher,  
It was in one ear and out the other,

But I hear you now,  
All the things you said that I just ignored,  
I hear you now,  
What I used to think I was too cool for,  
That you can't tell me anymore,

I hear you now...

Neither one of us would give an inch,  
We'd never back down, we'd never flinch,  
I guess we were just too much alike,  
It was harder to talk than it was to fight,  
You say learn a thing or two from your old man,  
But I never listened when I had the chance.

But I hear you now,  
All the things you said that I just ignored,  
I hear you now,  
What I used to think I was too cool for,  
That you can't tell me anymore,

I hear you now...

When I'm all alone in my car,  
When I'm telling my kids life is hard,  
When I look in the mirror there you are,

I hear you now...

I hear you now,  
What I used to think I was too cool for,  
All the things you can't tell me anymore,  
Are louder than they ever were before,

I hear you now...

I hear you now...

**Stage 3 – Memories (*remain*)**  
**Blue Eyes Crying in The Rain – Willie Nelson**

In the twilight glow I see her  
Blue eyes cryin' in the rain  
When we kissed goodbye and parted  
I knew we'd never meet again

Love is like a dyin' ember  
Only memories remain  
Through the ages I'll remember  
Blue eyes cryin' in the rain

Some day when we meet up yonder  
We'll stroll hand in hand again  
In a land that knows no partin'  
Blue eyes cryin' in the rain

Writer(s): Fred Rose

**Stage 4 – See You (*I feel you*)**  
**"My Heart Will Go On"**  
**(from "Titanic" soundtrack)**  
**Celine Dion**

Every night in my dreams  
I see you; I feel you  
That is how I know you go on

Far across the distance  
And spaces between us  
You have come to show you go on

Near, far, wherever you are  
I believe that the heart does go on

Once more you open the door  
And you're here in my heart  
And my heart will go on and on

Love can touch us one time  
And last for a lifetime  
And never let go 'til we're gone

Love was when I loved you  
One true time I hold to  
In my life we'll always go on

Near, far, wherever you are  
I believe that the heart does go on  
Once more you open the door  
And you're here in my heart  
And my heart will go on and on

You're here, there's nothing I fear  
And I know that my heart will go on  
We'll stay forever this way  
You are safe in my heart  
And my heart will go on and on

**Stage 5 – See You Again (*bond*)**  
**See You Again - Wiz Khalifa**  
**(feat. Charlie Puth)**  
**("Furious 7" soundtrack)**

It's been a long day without you, my friend  
And I'll tell you all about it when I see you again  
We've come a long way from where we began  
Oh, I'll tell you all about it when I see you again  
When I see you again

Damn, who knew?  
All the planes we flew, good things we been through  
That I'd be standing right here talking to you  
'Bout another path, I know we loved to hit the road and laugh  
But something told me that it wouldn't last  
Had to switch up, look at things different, see the bigger picture

Those were the days, hard work forever pays  
Now I see you in a better place (See you in a better place)  
Uh

How could we not talk about family when family's all that we got?  
Everything I went through, you were standing there by my side  
And now you gon' be with me for the last ride

It's been a long day without you, my friend  
And I'll tell you all about it when I see you again (I'll see you again)  
We've come a long way (Yeah, we came a long way) from where we began  
(You know we started)  
Oh, I'll tell you all about it when I see you again (I'll tell you)  
When I see you again

Aah oh, aah oh  
Wooooh-oh-oh-oh-oh-oh  
Yeah

First, you both go out your way and the vibe is feeling strong  
And what's small turned to a friendship, a friendship turned to a bond  
And that bond will never be broken, the love will never get lost  
(The love will never get lost)  
And when brotherhood come first, then the line will never be crossed  
Established it on our own when that line had to be drawn  
And that line is what we reached, so remember me when I'm gone  
(Remember me when I'm gone)

How could we not talk about family when family's all that we got?  
Everything I went through you were standing there by my side  
And now you gon' be with me for the last ride

So let the light guide your way, yeah  
Hold every memory as you go  
And every road you take  
Will always lead you home, home

It's been a long day without you, my friend  
And I'll tell you all about it when I see you again  
We've come a long way from where we began  
Oh, I'll tell you all about it when I see you again  
When I see you again

Aah oh, aah oh (Uh)  
Yeah (Yeah)  
Wooooh-oh-oh-oh-oh-oh (Yo)  
When I see you again (Yo, uh)

See you again (Yo, yo)  
Oh-oh (Uh-huh)  
(Yup) When I see you again

Writer(s): DJ Frank E, Charlie Puth

**Stage 6 – See You Again (echoes)**  
**See You Again – Carrie Underwood**

oh-oh-oh,  
oh-oh-oh,  
oh-oh-oh,  
oh-oh-oh,  
oh-oh-oh,  
oh-oh-oh,  
oh-oh-oh,  
oh-oh-oh

Said goodbye, turned around  
And you were gone, gone, gone  
Faded into the setting sun  
Slipped away

But I won't cry  
'Cause I know I'll never be lonely  
For you are the stars to me  
You are the light I follow

I will see you again  
This is not where it ends  
I will carry you with me  
'Til I see you again

oh-oh-oh,  
oh-oh-oh,  
oh-oh-oh,  
oh-oh-oh,  
oh-oh-oh,  
oh-oh-oh,  
oh-oh-oh,  
oh-oh-oh

I can hear those echoes in the wind at night  
Calling me back in time  
Back to you

In a place far away  
Where the water meets the sky  
The thought of it makes me smile  
You are my tomorrow

I will see you again  
This is not where it ends  
I will carry you with me  
'Til I see you again

Sometimes I feel my heart is breaking  
But I stay strong  
And I hold on  
'Cause I know

I will see you again  
This is not where it ends  
I will carry you with me

I will see you again  
This is not where it ends  
I will carry you with me  
'Til I see you again

oh-oh-oh,  
oh-oh-oh,  
oh-oh-oh,  
oh-oh-oh,

'Til I see you again  
'Til I see you again  
'Til I see you again

Said goodbye turned around  
And you were gone, gone, gone

**6 Stages of Mourning Memories Swan Song**  
**I Say a Little Prayer – Aretha Franklin**

The moment I wake up  
Before I put on my makeup  
I say a little prayer for you  
While combing my hair now  
And wondering what dress to wear now  
I say a little prayer for you

Forever and ever, you'll stay in my heart  
And I will love you  
Forever and ever, we never will part  
Oh, how I love you  
Together, forever, that's how it must be  
To live without you  
Would only mean heartbreak for me

I run for the bus, dear  
While riding I think of us, dear  
I say a little prayer for you  
At work I just take time  
And all through my coffee break time  
I say a little prayer for you

Forever and ever, you'll stay in my heart  
And I will love you  
Forever and ever we never will part  
Oh, how I'll love you  
Together, forever, that's how it must be  
To live without you  
Would only mean heartbreak for me

I say a little prayer for you  
I say a little prayer for you

My darling, believe me  
(Believe me)  
For me there is no one but you  
Please love me too  
(Answer my prayer)  
And I'm in love with you  
(Answer my prayer)  
Answer my prayer now, babe  
(Answer my prayer)

Forever and ever, you'll stay in my heart  
And I will love you  
Forever and ever we never will part  
Oh, how I'll love you  
Together, forever, that's how it must be  
To live without you  
Would only mean heartbreak for me
